## And you're \* DONE!

\* And when you get your 20th donor, not only will you feel 3 feet off the ground, "Bazooka Proof", with a smile on your face, knowing you've raised more than most people ever do, while being part of the team (combination total dollars) that killed your last years' total, with that "warm, fuzzy" feeling, knowing that you've stepped up to the challenge and have helped Families of Children with Cancer from all areas of the Province, then and only then, will you feel AWESOME!

P.S. you don't have to stop at 20 – you can keep going if you want to.

It's a goal, not a finish line.

Thank You so much for your participation!
